Dear Jerry:

I still have not received the Ineligible Volunteer Record Sheet, so that we can identify Mr. Laws. I hope you will determine if you can give us a little bit of information about him, so that we can make certain that he cannot be registered in the future.

I know how difficult this is, but anything you can get at this point would be most helpful.

Sincerely,

Paul Ernst, Director

Dear Jerry:

I believe we have everything we need regarding this individual except for our Ineligible Volunteer Record Sheet.

I am enclosing a form for your use. Please complete this with as much information as you can secure. We really need to know his race, approximate age, and other personal facts in order to identify him should he attempt to register 15 or 20 years from now.

Thanks for your help in this matter.

Sincerely,

Paul Ernst, Director

Dear Paul;

Regarding Don Laws, who is now in our state prison for 1st degree rape and kidnapping, the Assistant Warden told me this morning they hoped to keep him for a long time. When he was arrested they solved several rape attacks in town. He will be in prison until the year 2003. I have not been able to get additional information from Court Records or from the prison files. I will try other avenues and get back to you as soon as possible.

Sincerely,

  
Jerry Houchens  
Scout Executive

PERSONAL AND CONFIDENTIAL

SUBJECT: DON LAWS

Dear Jerry:

We have not heard from you since early June when you sent us material indicating that Mr. Laws is a hard core sex offender. He apparently is in prison at this time and should not be registered with the Boy Scouts of America.

We would like any newspaper clippings available, if you could secure them, so that we have more substantiation related to this situation. This would certainly support us in the future should neither you nor I be in our present job.

I am enclosing an Ineligible Volunteer Record Sheet which I would like to have completed, if you could get someone to help you do that. This is important since this is quite a common name and once he is released from prison, we would not be able to identify him unless we have this information.

Sincerely,

Paul Ernst, Director  
Registration and Statistical Service

Dear Jerry:

I am enclosing another Ineligible Volunteer Record Sheet which I would like to have completed for the above named individual. We really feel that Mr. Laws should be placed on our file, so that he cannot register once he leaves prison. Since he seems to be interested in the Boy Scouts of America at this time, I am concerned that he might try to register whenever he comes up for parole from this particular sentencing.

Thanks for your help in giving us this information. Any additional material you can get which will help to substantiate our refusal will be most appreciated.

Sincerely,

Paul Ernst, Director

SUBJECT: DON LAWS

Dear Jerry:

I really appreciated your note concerning the above named individual. After reviewing this, we feel it would be helpful to have him on our Ineligible Volunteer File, so he could not register once he left confinement. At that time, he might try to become associated with the Boy Scouts of America.

I am enclosing an Ineligible Volunteer Record Sheet which I would like for you to have completed. Perhaps, the warden would be willing to give you some information, so we can identify him for our files. This would help us in the future.

I would also like to have anything else you could give me that would indicate the charges against Mr. Laws. If you could get newspaper clippings or court records that would substantiate his offense, this would also strengthen our file.

Thanks for your help.

Good Morning:

Connie, sometime ago I wrote requesting the names and addresses of the leaders of the EXPLORERS groups for Lancaster County, most particularly Lincoln. I wrote approximately the fifth (5th) of May and was wondering if you were in receipt of that letter, if not I would greatly appreciate your response to this inquiry as soon as is feasible.

THANK YOU FOR YOUR HELP IN THIS MATTER.

Sincerely,

*Dear Paul!*

*Don Laws is a Hard Core Sex Offender and is serving time for it. He is the local per. for the Pentecost Unit. I called the office & they gave him some more. I called the Lincoln & he said they were on keeping him a long time. I am sure he is a per. & that is why he is in there. I am sure he is a per. & that is why he is in there.*
